**You may be aware that the society holds your contact details on a computer database. For insurance purposes only, names are given to SAA (our insurer). Contact details are shared amongst committee members as required and when necessary. Details of the database are not shared or passed onto third parties.**  
**In addition, we assume that you are happy for your work to be included in the website, face book, Instagram and X (formally twitter) unless you notify us otherwise.**

**\*This also applies to memberships made online and text.**
